Chief Executive of the Canal Zone Due  
in Washington Next Week—Wife's  
Funeral in Maine.

Gen. George W. Davis, governor of  
the Panama canal zone, who was sum-  
moned home by the death of his wife,

will come to Washington shortly after  
the funeral, which is to be held at Big  
Moose Lake, Maine, early next week.  
General Davis will remain here for a  
couple of days looking after official busi-  
ness at the headquarters of the Isthmian  
Canal Commission in this city. It is ex-  
pected that he will hold a conference  
with the President and Secretary Taft,  
in which he will talk over the progress  
made in the administrative organization  
of the strip.  
General Davis has now been in active  
control of the canal zone as governor for  
two months, and his report on the condi-  
tions encountered there will be of great  
interest. Admiral Walker and other  
members of the commission are now at  
Panama on an inspection tour.

## RECEIVERS APPOINTED FOR STEEL COMPANY

Diamond State Concern Declared Bank-  
rupt and United States Court  
Takes Charge of Property.

WILMINGTON, Del., Aug. 13.—In the  
United States court this morning Judge  
Bradford appointed Howard T. Wal-  
lace, president of the Diamond State

Steel Company, one of the receivers of  
that company, to serve until the appli-  
cation that the company be declared  
bankrupt be settled one way or the  
other.  
Dwight C. Lowry, of Philadelphia,  
who represents some of the bondholders  
and creditors, presented the name of  
William F. Harry, of Philadelphia, as  
the other receiver.  
This was opposed. Judge Bradford  
appointed James P. Winchester, pres-  
ident of the First National Bank, as the  
second receiver.

## PUGILIST AND CHARITY GOT THE GATE RECEIPTS

WILKESBARRE, Pa., Aug. 13.—The  
bout between Jimmy Walsh, of Boston,  
and Tom Quigley, a local pugilist, which  
was scheduled to be fought here last  
night, fell through. Walsh refused to  
go on with the bout because of the small  
amount of money in the house.  
The crowd, which numbered about 300,  
then suggested that the gate receipts be  
divided between Quigley and local chari-  
ties. This was done, and \$140 was turned  
over to the local boxer.

These midsummer floor covering sales of ours have a record for value-  
giving that is absolutely without an equal. The Rug and Matting Sales have  
been crowding this department all this month—and now we add Carpets to  
the attractions—including all the odd rolls—all the remnants—and in many  
instances several rolls of Carpets of a pattern—with borders to match—Carpets  
that are to be discontinued.

Every six months manufacturers strike off a number of their patterns to  
replace them with new ones—not because of their lack of merit, but for the  
change. They are called drop patterns. We can't get more of them, and the  
next move is to close out what we have of them. They form an important part  
of the sale—offering sterling qualities at prices a third and more under regular  
figures.

See the stock. Figure on your purchase—the regular price and the price  
you pay now. The saving will be material.

The clearance this year embraces more than ever. We've carried a greater  
volume of stock to meet demands of increased business.

The clearance, with all it includes, is of direct interest to every housekeeper  
—every hotel man—every institution using Carpets within reach of Washington.  
There are patterns and color combinations suitable for every room—and you  
have the advice of experts in interior decorating if you care for it.
